

# **WORKSKIFF®**

*Aluminum Boats for Severe Service*

## **LANDING CRAFT SERIES 20' - 28'**

New for 2009 — The Workskiff **LANDING CRAFT SERIES** was engineered and designed from the bottom up by our naval architect team to provide maximum performance and durability in the tradition of all Workskiff boats.

Built on a self-bailing 15° dead-rise foam-filled aluminum hull, it features an 8.5' beam, a 65" bow door with a hand operated stainless steel Thern winch, aluminum under-deck fuel tank and single or twin engine configuration capability. It can be outfitted with a variety of consoles or houses, as well as custom options to meet your specific needs.

- **RUGGED**
- **SELF-BAILING**
- **FOAM FLOATATION**
