

WORKSKIFF®

Aluminum Boats for Severe Service

V BARGE SERIES 25' - 30'

With its large flat deck and modified V hull design, our **V BARGE SERIES** is engineered to balance heavy load operations with speed and maneuverability. From ship docking operations to environmental clean-up work, the **V BARGE SERIES** can be used for a variety of purposes where a large flat deck is required. The Workskiff **V BARGE SERIES** can be outfitted with a center or side console, T-Top console, cabin, or a recessed cockpit for maneuverability in low clearance areas.
